tee Program:

Jr. Linksters **tee** program is for kids 5-13 looking for the traditional summer golf program. Class meets either Thursday or Friday mornings, for 7 weeks, 1.5 hours/day. Class sizes are limited to the first 50 registrants/age group. The student to instructor ratio is approx. 6:1. Sign-up with friends, neighbors, or classmates. The program concludes with a fun day of games, prizes, and laughter.

fairway Camps:

Jr. Linksters **fairway** camps are designed as a condensed extension of the **tee** program Perfect for Kids (8-13) on the go. This camp meets (Mon-Wed) from 8-12 or 11-3. We limit each camp session to 6 students, which allows kids to reserve the whole class with friends, neighbors, or teammates. Camp with friends is way more FUN!! Lunch is included in both sessions, each day! We offer multiple **fairway** camps during the summer, so reserve your spot or the entire camp today. Discounts for attending multiple camps.

green Camps:

Jr. Linksters **green** camps are designed for the more advanced junior golfer, age 11-14. This half-day camp, is a great alternative/enhancement to costly private lessons. We start a new **green** camp almost weekly, which meet daily (Mon-Wed) from 2-6. Each day, campers start by playing 9-holes of golf, then it's off to the range for 2-hours of ball-striking and short-game instruction. Campers receive their own reference book. Inside are personalized tips, keys, swing thoughts, and drills instructors garner from observing students rotate from full swing principals, motion, and plane, to short-game technique and fundamentals.
