Come once or come every week!

Ages: 20+

Each week PGA member Adam Osterbur and staff will work with you on the very basics of golf. This program will help get you ready for the golf course. Weekly you'll be introduced to new situations and fundamentals, rules and etiquette. So even if you've already been out on the golf course, but may have felt uncomfortable, come see Adam and staff.

Come once, come each week, Just Come!
