Dear High School Golf Coach,

The Links would like to help you encourage your prospective players to practice and play this summer.

We've put together a package of discounts for playing and practicing, as well as discounts on group instructional programs geared toward the High School golfers. We ask simply that you forward this offer to your golfers.

Once you've talked to everyone, e-mail me a copy of your prospective roster. That's all, and the kids great discounts all summer. In order for your team members to take advantage of the reduced rates, The Links must have a copy of the prospective team roster by May 1, 2010. The Links asks only, that at the time of purchase, the student stop at the front desk and show some form of identification.

Thank you for your efforts and guidance as coach and counselor.

Sincerely,

Jeffrey A. Hunt
