Want to spend more quality time with the Kids...The Links is the place to be on Friday Nights. Join us starting the 1st Friday in June—1st Friday in August for Fun, Games, and even a few Prizes! Tee times begin at 5:30, so call out to reserve your spot today. Each group will compete in a scheduled event and kids have the opportunity to walk away with weekly proximity prizes.

There is no registration fee, nor skill requirements, just patience on the parents part, and a reduced weekly fee. So get together with friends and their kids and enjoy a fun afternoon of golf. Then get the rest of the family to join you at El-Toro and see what specials they have prepared especially for you!

*Events are not flighted by children's ages or skill level. Rather, this is a fun event that provide the parent and children a great chance to spend quality time together...make it even more special by planning a post round trip to El-Toro or stop and get some ice cream after the round. Believe me, the kids love it when they get a prize at the end of the night...and you get a little more time with them!
